

UNPLUGGED

FRENCH KISS

Against traffic
Feels organic
Night and day
Switch to play
Turn around
Let it sound
Earth is far
Leave your car
One way street
It's my treat
Round the clock
Doesn't shock
Never talk
Enjoy the walk.

GARLIC BREATH

Against vampires
Don't break my tires
No one's around
Can't here a sound
My garlic breath
Gives me good health
Rush hour less
Don't feel the stress
Won't breathe tonight
Enjoy the sight.

PUSSY WHIPPED

Against violence
Turn off the silence
Shadow brain
Left my pain
Hope we see
Life is free
Painted blue
To say it's true
Whip the cream
Enjoy my dream.

HEART ATTACK

Against bad news
Ovoid previews
Don't mind a surprise
A good laugh would be nice
Seek and tired
Be unwired
For good shape
Just escape
Brush your hair
Be unfair
Think of you
Enjoy for two

VAMOS A LA PLAYA

Against pollution
There's a solution
Across the river
I'll be New Yorker
Downtown for brunch
Uptown for lunch
Dinner with you
A healthy stew
I now digest
To have a rest
I'm not a creep
Enjoy your sleep.

MURDER SHE WROTE

Against murder
I veggie burger
No bloody food
Red riding hood
Start from the top
My zipper will pop
Bun is bread
I now feel fed
Veggie food
Always good
Eat it now
Enjoy its wow.

POWER TONGUE

Against torture
Nothing wrong about mixture
Turn off the power
Tongue power twister
Wide open soul
Reach out for your goal
Life ain't no bitter
Just look at the mirror
Lines on your body
Are signs of a story
History tale
No body's for sale
Art is a cure
Enjoy PGartventure
